

INDEX OF AUTHORS.

- ALDEN, ARTHUR M., 455.
- BABBITT, JAMES A., 320, 1040.
 Barlow, Roy A., 205, 421, 600.
 Baum, Harry L., 152.
 Beach, Edward W., 169.
 Beck, Joseph C., 1150.
 Berger, Murray, 275.
 Brooks, Earl B., 424.
 Browder, Jefferson, 395.
 Brown, J. Mackenzie, 500.
 Burgess, Taylor S., 465.
- CAMPBELL, EDWARD H., 209, 778.
 Carmody, T. E., 130, 759.
 Comer, M. C., 506.
 Costen, James B., 242.
- DEAN, LEE WALLACE, 607, 952, 1199.
 Delavan, D. Bryson, 622.
 Dintenfass, Henry, 77.
 Dowling, J. T., 288.
 Drury, Dana W., 625.
 Dutcher, R. Adams, 593.
- EMERSON, FRANCIS P., 313.
 Ersner, Matthew S., 87.
 Evans, John H., 158.
- FENTON, RALPH A., 657, 913.
 Fetterolf, George, 675.
 Fétissot, Alexander G., 404.
 Fish, Murland W., 175.
 Fowler, Edmund Prince, 766.
 Fraser, J. S., 1.
 Futch, Charles E., 1067.
- GARDNER, W. J., 1040.
 Glaser, Mark A., 1067.
 Greene, Joseph B., 812.
 Greene, L. W., 759.
- HANSEL, FRENCH K., 335.
 Harris, Thomas J., 661.
 Hill, Frederick T., 444.
 Hompes, J. J., 280.
 Houser, Karl Musser, 1052.
- IGLAUER, SAMUEL, 908.
- JOHNSTON, W. H., 1145.
 Jones, Arthur C., 435.
- KAHN, MYRON E., 363.
 Kiehle, Frederick A., 482.
 King, Edward, 351.
 Kistner, Frank B., 795, 977.
 Kunde, M. M., 363.
- LEMERE, H. B., 820.
 Lewis, Eugene R., 185, 685, 1005.
 Longaker, Edwin P., 1158.
 Lynch, R. C., 706, 931.
- MACKENZIE, DAN, 32.
 Marks, Sam B., 251.
 McMahon, Bernard J., 732.
 McNally, W. J., 1121, 1163, 1180.
 Miller, Hyman, 691.
 Mosher, Harris P., 869.
 Moulton, H., 189.
- PARKER, G. H., 940.
 Payne, R. J., 276.
 Pearlman, Samuel J., 363, 488.
 Pinness, George, 691.
 Portmann, George, 69.
 Potts, John B., 329.
 Pratt, John A., 1156.
 Proetz, Arthur W., 682, 963.
- REID, G. L., 1.
 Richardson, Charles W., 493.
 Ross, Ellison L., 175.
 Roth, Jesse H., 488.
- SCHULLER, ARTHUR, 109.
 Sewall, Edward Cecil, 995.
 Shurly, B. R., 612.
 Skillern, Ross Hall, 716, 902, 1022.
 Smith, Ferris, 1095.
 Snure, Henry, 1067.
 Sommer, Ignatz, 260.
 Sonnenschein, Robert, 197, 805.
- TAIT, JOHN, 1121.
 Thompson, W. R., 386.
 Trotter, Homer A., 376, 825.
- WEINSTEIN, MORRIS A., 478.
 Windham, R. E., 470.
 Würdemann, Harry V., 199.
- YASKIN, JOSEPH C., 260.

INDEX OF TITLES.

- AGRANULOCYTIC Angina: Report of Two Cases. R. E. Windham, 470.
- Allergy and Anaphylaxis in Rhinology. F. P. Emerson, 313.
- Allergy and Otitis Media. E. R. Lewis, 185.
- Amygdalotomy, Nerve Block in. H. A. Trotter, 376.
- Anaphylaxis and Allergy in Rhinology. F. P. Emerson, 313.
- Anesthesia, Colonic, in Operations of Otolaryngologic Cases. E. W. Beach, 169.
- Anesthesia, Local, The Value of Barbitol Before. R. A. Barlow, 421.
- Anesthesia, Nitrous - Oxid - Oxygen for Tonsillectomies. J. H. Evans, 158.
- Antral Infection, Diagnosis of. M. S. Ersner, 87.
- Arthritis: The Mastoids, Foci of Infection. T. S. Burgess, 465.
- Asthma: Its Etiology and Surgical Treatment. F. Smith, 1095.
- BARBITAL, Value Before Local Anesthesia. R. A. Barlow, 421.
- Blindness, Unilateral, Recovery After Sinus Operation. J. T. Dowling, 288.
- Brain Abscess and Meningitis Secondary to Acute Paranasal Sinusitis. J. B. Potts, 329.
- Brain Abscess, Otitic. F. A. Kiehle, 482.
- CANCER, Treatment of, in the Pharynx, Larynx and Esophagus by Surgical Diathermy. D. Mackenzie, 32.
- Coclela, Physiology of. W. J. McNally, 1163.
- Cretinism, Experimental, With Histopathology of Nose and Throat. S. J. Pearlman, M. E. Kahn, M. M. Kunde, 363.
- DACRYOCYSTITIS, Treatment of; From the Viewpoint of the Rhinologist. A. C. Jones, 435.
- Deafness, A Contribution to the Study of Chronic Progressive Deafness With a Plea for a Nation-wide Investigation. T. J. Harris, 661.
- Deafness in Syphilis, An Audiometric Study. D. W. Drury, 625.
- Dichloramin Treatment of Mastoid Wounds. F. A. Fenton, 657.
- Dedication of Central Institute for the Deaf. L. W. Dean, 1199.
- Diet Deficiency in Relation to the Skeleton, Especially in Connection With the Bone Affections of the Head. B. R. Shurly, 612.
- Diet in Connection With Diseases of the Lymphatic System, Especially of the Upper Air Tract. R. A. Barlow, 600.
- Diet, the Relation of Deficiency Diet to Diseases of the Sinuses. L. W. Dean, 607.
- EAR, Nose and Throat Defects, the Incidence of, in Lincoln School Children. E. B. Brooks, 424.
- Education of the General Physician and Public to the Sinus Problem. H. E. Lemere, 820.
- Encephaloma or the So-called Nasal Glioma. J. Browder, 395.
- Esophagus, Perforation of, With Report of Six Cases. E. King, 351.
- Ethmoidal Labyrinth, the Surgical Anatomy. H. P. Mosher, 869.
- Ethmoid, Pathology and Diagnosis. R. H. Skillern, 902.
- Ethmoid, Radical Treatment: Intranasal. R. A. Fenton, 913.
- Ethmoidal Sinusitis: External Radical Approach. R. C. Lynch, 931.
- Ethmoiditis, Chronic: Its Conservative Surgical Treatment. R. H. Skillern, 716.
- Ethmoiditis, Conservative Treatment. S. Iglauer, 908.
- Ethmoiditis Producing Hemiplegia, Concomitant With Toxic Scarlet Fever. M. A. Weinstein, 478.
- FERRERI, Gherardo, 516.
- Foreign Body Cases of the Mastoid and the Nose. E. P. Longaker, 1158.
- Functional Tests, Limitations of, in the Differential Diagnosis of Deafness. E. P. Fowler, 766.
- HAY Fever, The Relation of Sinus Disease. T. E. Carmody and L. W. Greene, 759.

- Headache From the Standpoint of the Rhinologist. H. Dintenfass, 77.
- Hemiplegia Produced by Ethmoiditis, Concomitant With Toxic Scarlet Fever. M. A. Weinstein, 478.
- Heredity and Human Biology. G. H. Parker, 940.
- Histopathology of Nose and Throat in Experimental Cretinism. S. J. Pearlman, M. E. Kahn, M. M. Kunde, 363.
- Histopathology of Sinusitis and Mastoiditis. B. J. McMahon, 732.
- IODIZED Oil as an Aid in the Diagnosis of Sinus Disease. K. M. Houser, 1052.
- Iodized Rapeseed Oil (Camplodol) in the Diagnosis of Chronic Maxillary Sinusitis. M. A. Glaser, C. E. Futch, and H. Snure, 1067.
- LACRIMAL Apparatus, Anatomy, Physiology and Pathology of. H. V. Würdemann, 199.
- Laryngeal Stenosis, Chronic, Complication of Laryngeal Diphtheria. R. J. Payne, 276.
- Larynx, Nontuberculous Lesions in the Tuberculous. J. B. Greene, 812.
- Larynx, Use of Electrically Heated Bougies in the Treatment of Postdiphtheritic Cicatricial Stenosis. W. H. Johnston, 1145.
- Lateral Sinus Thrombosis, Some Unusual Cases. A. M. Alden, 455.
- Lymphatic System, Diet in Connection With Diseases of. R. A. Barlow, 600.
- MASTOIDS, Foci of Infection for Arthritis: Report of a Case. T. S. Burgess, 465.
- Mastoid Wounds, Further Experience With the Dichloramin Treatment. R. A. Fenton, 657.
- Mastoiditis and Otitis Media, Complications. E. H. Campbell, 209.
- Mastoiditis, A Positive Symptom. M. Berger, 275.
- Mastoiditis, Histopathology. B. J. McMahon, 732.
- Mastoiditis, Infantile, With Gastrointestinal Symptoms. J. B. Costen, 242.
- Mastoiditis, Noncoalescent, With a Report of Four Cases. S. E. Marks, 251.
- Meningeal Calcification and Nasal Pathology, the Coincidence of. J. A. Babbitt, 320.
- Middle Ear Suppuration, Chronic, Nonsurgical Treatment. J. C. Beck, 1150.
- NASAL Pathology and Meningeal Calcification, the Coincidence of. J. A. Babbitt, 320.
- Nasopharynx, X-Ray Examination of Deformities. A. Schuller, 109.
- Nerve Block in Amygdalectomy. H. A. Trotter, 376.
- Nystagmus and Dizziness Occurring in Certain Positions of the Head and in Movements Other Than Those Around the Long Axis of the Body. I. Sommer and J. C. Yaskin, 260.
- OSTEOMAS of the Nasal Accessory Sinuses, Pathogenesis of. A. G. Fetissov, 404.
- Osteomyelitis of the Frontal and Superior Maxillary Bones Complication Sinusitis. R. H. Skillern, 1022.
- Otitic Brain Abscess. F. A. Kiehle, 482.
- Otitis Media and Allergy. E. R. Lewis, 185.
- Otitis Media and Mastoiditis, Complications. E. H. Campbell, 209.
- Otitic Origin of Trigeminal Disturbances. F. K. Hansel, 335.
- Otitis, Toxic. J. J. Hompes, 280.
- Otolaryngologic Reading Club. J. H. Roth and S. J. Pearlman, 488.
- Otolaryngology, Recent Advances: Medical and Surgical Treatment. L. W. Dean, 952.
- Otologic Complications From Swimming in Summer Camps. F. T. Hill, 444.
- PAROTID Tumor, Mixed, Growing From the Posterior Aspect of the Thyroid Cartilage. R. C. Lynch, 706.
- Perforation of the Esophagus. With Report of Six Cases. E. King, 351.
- Peritonsillar Inflammation, Abortive Treatment. W. R. Thompson, 386.
- Pharynx, the Necessity for a Scientific Investigation of the Causes of Hypertrophy of the Lymphoid Elements. D. B. Delavan, 622.
- Physiology of the Cochlea With Some Remarks About the Clinical Tests for Hearing. W. J. McNally, 1163.

- Physiology of the Sacculæ and Sacculus Endolymphaticus. W. J. McNally, 1180.
- President's Address. C. W. Richardson, 493.
- Protein Reactions, Specific, in Eye, Ear, Nose and Throat. G. Piness and H. Miller, 691.
- REPORT of the Ear and Throat Department, Royal Infirmary, Edinburgh. J. S. Fraser and G. L. Reid, 1.
- Retropharyngeal Abscess. R. A. Barlow, 205.
- SACCULE and Sacculus Endolymphaticus, Physiology of. W. J. McNally, 1180.
- School Children, the Incidence of Ear, Nose and Throat Defects. E. B. Brooks, 424.
- Semicircular Canal Stimulation in the Frog, An Analysis of the Limb Responses. J. Tait and W. J. McNally, 1121.
- Septa, Method of Correcting Following Submucous Resection. J. A. Pratt, 1156.
- Sinus Disease. Iodized Oil as an Aid in Diagnosis. K. M. Houser, 1052.
- Sinus Disease, Relation to Hay Fever. T. E. Carmody and L. W. Greene, 759.
- Sinus Infection and Drainage, Some Practical Considerations in the Problem. H. L. Baum, 152.
- Sinus Inflammations, General Principles of Treatment. E. R. Lewis, 1005.
- Sinus Operations, Considerations For and Against Curetting and Exenterating. E. R. Lewis, 685.
- Sinus in Perspective. A. W. Proetz, 682.
- Sinuses, Development After Birth. T. E. Carmody, 130.
- Sinuses, General Surgical Principles Employed in the Treatment of Chronic Disease. E. C. Sewall, 995.
- Sinuses, Relation of Deficiency Diet to Sinus Disease. L. W. Dean, 607.
- Sinuses, Pathogenesis of Osteomas. A. G. Feltsoff, 404.
- Sinus Problem, Education of the General Physician and Public. H. B. Lemere, 820.
- Sinuses, Physics and Physiology. A. W. Proetz, 963.
- Sinusitis, Chronic Nonpurulent, and Its Clinical Significance. F. B. Kistner, 795.
- Sinusitis, Histopathology. B. J. McMahon, 732.
- Sinusitis in Children. J. M. Brown, 500.
- Sinusitis, Iodized Rapeseed Oil in the Diagnosis of Chronic Maxillary Sinusitis. M. A. Glaser, C. E. Futch, and H. Snure, 1067.
- Sinusitis, Paranasal, Complicated by Brain Abscess and Meningitis. J. B. Potts, 329.
- Sinusitis, Pathology. F. B. Kistner, 977.
- Sphenopalatine Ganglion and the Posterior Palatine Canal, Anatomic Studies, With Special Reference to the Use of the Latter as the Injection Route of Choice. E. H. Campbell, 773.
- TONSIL, Function of the Muscular Attachments. H. A. Trotter, 823.
- Tonsillectomies, An Analysis of Five Hundred. M. C. Comer, 506.
- Tonsillectomy Complicated by Infection of *Brucella Melitensis* Var. Abortus. G. Fetterolf, 675.
- Trigeminal Disturbances of Otic Origin. F. K. Hansel, 335.
- Trigeminal Neuralgia, Radical Operation Followed by Tympanic Hemorrhage. W. J. Gardner and J. A. Babbitt, 1040.
- Tuning Fork Prongs, Some Very Accurate Measurements of the Amplitude of Vibration. R. Sonnenschein, 197.
- Tuning Forks, the Use of the New Magnesium Alloy. R. Sonnenschein, 805.
- Tympanic Hemorrhage Following the Radical Operation for the Relief of Trigeminal Neuralgia. W. J. Gardner and J. A. Babbitt, 1040.
- VASOMOTOR Affections of the Internal Ear. G. Portmann, 69.
- Vertigo as a Symptom. H. Moulton, 189.
- Vestibular Apparatus, Response to Drugs. E. L. Ross and M. W. Fish, 175.
- Vitamins in Human and Animal Nutrition. R. A. Dutcher, 533.
